**PAGES 57-58**

Touren Wheels sees beauty in motion with each wheel we create. We proudly construct only the highest quality wheels that convey your discriminating taste and sense of style. Our engineers scrutinize every detail to ensure that we deliver the most precise products possible. Seek perfection and settle for excellence - Touren Wheels.

## **T** FLOW FORMED

Using an innovative flow formed process, the TF Series by Touren produces a light weight wheel with reduced unsprung weight and crisp responsiveness. The TF Series delivers the highest quality and performance for your vehicle.
